

There are limited Car parking spaces available while visiting ProVu.

These are located just a little further up Savile St from our Head Office.

How to find us

Once you have turned onto Savile Street, from Crow Lane, and passing a row of houses on your right with a warehouse on your left, there is a right turn into our warehouse yard. This can be used for parking for ProVu Visitors.

After you have parked your vehicle, make your way out of the yard and turn right. Walk down the street and cross over Lipscomb Street, and the ProVu Mill is directly in front of you. Please press the intercom on the front door to attract attention and a member of the team will be with you.

If you are having difficulty finding us, please feel free to call us on 01484 840048 and we can direct you the best we can.
